# 29<sup>th</sup> ANNUAL FUNDRAISER

We move into the holiday season  
and set the energy at

GRATEFULNESS  
AND  
PLENTY

Greetings Earthling,

You are the lucky recipient of this invitation for the celebration of Psychic Horizons' 29th anniversary! Please join us in this celebration, to be with each other and to partake in the enthusiastic spirit for life that we all have.

It is almost time for our very fun annual fund raiser! In the midst of these challenging times we are excited about the changes occurring, the re-alignment of values and shifting priorities in our world. You are aware of the power of your inner self during these times of challenge, change and opportunity. We rely on your support to keep our rich and diverse spirit/body information flowing in order to touch the lives of people like yourselves.

Many thanks to all of you who participated and contributed last year! We had a fabulous time with 45 people at the dinner! We have accomplished a lot this past year and we have grown.

We would like to increase the amount of money we raised last year and have a fantastic celebration of our 29th anniversary. Our theme this year will be Gratefulness and Plenty. Help us greet the new year with financial prosperity and move into 2010 from a position of greater strength. We are grateful in advance for your support and generosity.

THANK YOU!

Much gratitude, love and blessings,

Rev. Laura Hopper, Director Psychic Horizons  
President, Church of Natural Grace
